

Office Update - Coronavirus

As the Coronavirus situation continues to develop, with the health and welfare of our staff and clients in mind, we have taken the decision to temporarily close all our offices to visitors with immediate effect.

We are closely monitoring and following Government advice and ensuring all our staff are kept fully up to date with the latest information and guidance. As a professional practice we have invested in technology that allows access to the partners so that as far as possible it will be business as usual. We can still be contacted in all the usual ways.

- **Email:** Please feel free to contact your usual contact by way of email, or alternatively the practice generally on psb@parkinsbooth.co.uk
- **Telephone:** Please call the office direct on 0151 236 4331, 01925 245004 or 01244 340129
- **General:** Please visit our website for details of services offered: www.parkinsbooth.co.uk or our LinkedIn page for updates: <https://www.linkedin.com/company/parkinsbooth/>

Due to the unprecedented position the nation currently faces, we understand you or your clients may be anxious as to what the future holds and will be looking for professional guidance. The government is announcing financial support packages on an almost daily basis in order to help support businesses affected. However, this may not provide the solution you or your client requires and we will be more than happy to speak to you or them by telephone regarding the various further options available at these difficult times.

If you have any enquiries, please call 0151 236 4331.

If you no longer wish to receive this information, please reply with the word “unsubscribe” in the text or subject and you will be taken off the mailing list immediately.
